At Spice Market, we couldn't agree more. We're all about using authentic Thai spices in a playful and inventive way to bring joy to our diners – and our love affair with flavour shines through in every dish we serve, and every drink we pour.

When designing our restaurant, we've taken inspiration the spice market of Asia, which are always buzzing with lively conversation, colourful sights and amazing aromas. We want our Spice Market to feel the same: a vibrant meeting place where everyone's welcome, and there's always something delicious to try. That's why the freshwater fish, Pla Ta Pean, features in our logo – it's a symbol of abundance, and a reminder of the fresh local produce that plays a starring role in our cuisine!

From our fragrant crispy salads and mouth-watering seafood, to our chic tropical cocktails, we've got just the thing you didn't know you were craving. Settle in, kick back, order up and enjoy the good vibes.

**At Spice Market, happiness  
is always on the menu.**
